Education Week

Open house and displays attract hundreds to ASES

by Kelly Pettinger

Education week in Minden took on a special significance this year.

In addition to the displays and activities at the school, the week provided an opportunity for the parents and general public to get a look inside the new addition at Archie Stouffer Elementary School. "With the future in mind" was this year's theme for Education Week, which ran from May 2-6.

There were a variety of activities at Archie Stouffer Elementary School to mark Education Week. Students at all grade levels were involved in planting trees, picking up litter in the community, welcoming guests to their school and classroom on open house night and, for grade eight students, a day of job shadowing.

Victoria-Haliburton MPP Chris Hodgson kicked off the week at the school when he spoke briefly Monday morning to the grade eight students. The newly elected provincial politician offered his vision of the future of Haliburton County.

Monday and Tuesday James Munn of the Ministry of Natural Resources demonstrated tree planting to kindergarten and grade one students. The children were taught why it is important to keep replenishing our forests and how to plant a seedling to ensure it will grow to maturity. With as-

Board frustrated by education ministry last minute cuts

The taxpayers of Haliburton County will be required to shoulder double the previous expected increase in education costs thanks to further provincial government cutbacks.

The Haliburton County Board of Education kept this year's increase to 3.9 per cent in an attempt to maintain the current level of quality in its system. But the government has announced that education grants for the county will be cut by \$650,000. In order to make up that short-fall, the increase to county taxpayers will now amount to eight per cent.

The board was satisfied with a 3.9 per cent increase, but the added expense passed along by the province has board members seeing red.

When the vote on the \$17,000,000 county educa-

tion budget (which was drawn up prior to the announced cutbacks) was called, five of the 14 trustees present voted against it. The dissenting voters were Elsa May, Craig Pettit, Len Salvatori, Nancy Stinson and Wayne Wood.

"Frustrating" was a word that often crossed Wally Bunn's lips. Bunn is the Chairman of the board's Management Committee.

"It is very disheartening and frustrating when you spend four months preparing a budget you can live with and defend to the public and then they (the provincial government) go and do something like this," Bunn said. "They are pretty sneaky. They know we have to have our budget in by the 28th and they won't give us an extension. They have no conscience. When you care about what you're doing it's really frustrating."

Weekend clean-up

Minden area residents are invited to be a part of a community spring clean-up this Saturday May 14. Spearheaded by Dollo's IGA grocery store, participants will be divided into teams and sent out with garbage bags in hand to eliminate

litter in the community.

Those wishing to take part should meet at the IGA parking lot this Saturday at 9:30 a.m. Bring gloves, and suitable clothing for the weather. Garbage bags are being provided by Glad.

Texas death watch, a fun farce

by Kelly Pettinger

It was a durn tootin', good ole play.

For the past two weekends, Highland's Little Theatre presented their spring play *Daddy's Dyin'-Who's Got the Will?*, a hillbilly comedy written by Del Shores and directed by Tom Robinson.

Set in a small town in Texas, the play centres around a country family which reunites upon hearing the sad news that the father is about to pass away. Tensions flare as four very different siblings come together in the place where they grew up, to see their father's last days.

After spending several years apart, the siblings try, but in the end don't succeed, to get along. To make matters worse, these country folk only come back to see who will be the beneficiary and by how much when daddy finally cashes in his chips.

Unfortunately no one knows where their now forgetful father has left the will.

The play, which supported a small cast of eight, was outrageously funny and quick. Each character was clearly presented, bringing out strong individual southern personalities.

Ruth Still played Mama Wheelis, the head honcho of the off-the-wall family. Still brought out a witty spunk in her character. It takes more than good lines to make this character work, and Still handled it with ease. Another difficult part was the ill father, portrayed by Joel Levis. His character, Buford spent

Dysfunctional might be one term to apply to the family portrayed in the Highlands Little Theatre's latest production, "Daddy's Dyin'-Who's Got the Will?" Making the mayhem come alive were, from the left, Donna Ottley, Craig Saunders, Joel Levis, Monica Horning, seated Ruth Still and Brenda Ellis, Deborah Neve and Ray Oliphant. The farce was directed by Tom Robinson.

most of his time sitting on the couch in the middle of the stage, staring off into space and reliving old memories by throwing out lines which made no sense at all. Some lines gave the audience a hint that perhaps Buford once had an affair years ago, and was trying to ask for forgiveness before he died.

Other characters were wonderfully portrayed, showing off their separate personalities. Brenda Ellis played Sara Lee, the worried daughter who thought she would never

get married. Monica Horning portrayed the innocent older sister Lurlene, who decided to marry the church years ago, against her father's wishes.

Deborah Neave portrayed Evalita, the black sheep sleaze who did not want to accept the fact she was getting old, and attempted to prove it by bringing home a hippy, Harmony Roads, played by Ray Oliphant. The only brother, Orville, was played by Craig Saunders. His character was strong and also difficult to play

as he was unnerving and abusive to his wife, Marlene, played by Donna Ottley.

Each character held outstanding accents and although there were a few lines missed and some long pauses between the lines, the play went off without a hitch.

PUBLIC NOTICE

The Ministry of Natural Resources has prepared its annual forestry plans for the Minden and Frost Centre Crown Management Units, and these plans are available to the public for inspection. These plans cover Crown lands only, and include such activities as logging, tree planting, forest stand improvements and site preparation. No herbicide spraying is planned for 1994-95 in this area.

These are forestry plans intended to advise the public of upcoming forestry operations. This is not a call for employment applications.

Anyone interested in viewing these plans is invited to visit our Minden office, located on Highway 35, between 8:00 a.m. and 4:30 p.m., Monday to Friday. Please call ahead, to ensure that our forester is in that day to answer your questions.

sistance from students in the senior grades, each child was given a three-year-old red pine seedling to plant.

Tuesday, youngsters from all grades were involved in "Canada Pitch In" day. Each class had a specific area to clear of litter and debris which had accumulated over the winter.

Mr. Baker's grade five class chose the area around the community centre and the curling club to clean.

One student asked after picking up an old, ripped glove, "Mr. Baker, is this garbage too?"

Another little girl picked up an old Pro-Line lottery card and asked if she could play.

"Only if you have money," Mr. Baker replied with a smile.

It was almost like a treasure hunt. Rarely have there been so many children that excited about picking up litter.

Open House

On Wednesday night the doors of Archie Stouffer Elementary School swung wide open as students, parents and members of the community were welcomed to the open house. For an hour and a half hundreds of people flocked to see the new additions and to examine the displays in each classroom.

There were displays from different departments set up in the foyer and outside the school. The Minden detachment of the Ontario Provincial Police provided a display about drug abuse. Numerous other displays

Although it wasn't ready for the open house, the new library (former gymnasium) at Archie Stouffer Elementary School was a busy place. Visitors could examine the model construction projects of grade four students and purchase books at the book fair.

were set up at the school as well. However, it was the refreshment stand which seemed to attract the greatest attention during the evening.

Each class had prepared displays depicting the activities the students had been involved in during the school year. Parents, visitors and students were encouraged to visit the classrooms and see what was taking place.

In Helen Newton's grade three classroom, for example, a video of the student's oral assignments on Canada was being shown. The tape illustrated how the students were involved in research, worked with computers and learned how to make a presentation on their subjects.

In the same classroom one student sat tapping feverishly on a computer keyboard. During the year the students had learned basic keyboarding (typing) skills. After the student had completed his typing exercise, a number appeared on the screen, indicating the average number of words per minute he had typed. The student we watched achieved a score of 20 words per minute. Not his best, he told us, but he felt his score was lower because he was nervous with everyone watching.

"Isn't this wonderful!" said Mrs. Newton about

open house. "It's great for everybody to see this, they don't always get the chance. I think (the new wing) is great. It's great to see the primary students back again. We're like a family again."

When visitors walked into the new double gymnasium, it was obvious they were surprised by the size of the facility. Many stood staring at the high ceilings, or got down on one knee to examine the rubber floor. All were taken by the dimensions of the gym.

"I think the gym is fantastic. I love the floors," exclaimed Irma Armstrong, who had come to see the expansiveness of the gym.

As people walked around the gym, grade seven and eight music students provide a musical diversion for the visitors. Also entertaining were the Northland Brass Quintet and Times Four Saxophone Quartet, both under the direction of Walter Barnes.

People were bustling about in what will soon be the library, and it was easy to see why. Several of the grade four students were displaying projects they had been working on for what some students called "a long time."

(more on page 5)

Grade four students demonstrated their building skills and imaginations as they used a variety of materials to create models of noteworthy structures. The pride of accomplishment shows in the faces of Lindsay Harpley and Aaron Ketner as they stand with their projects on Wednesday evening. Some 90 structures were on display.

Attendance off slightly but interest high

Builders optimistic following spring show

Attendance numbers may have been down slightly from last year, but organizers of the Home and Cottage Show were happy with the turnout. This was the second year for the show, which was held at the Minden Curling Club April 30 and May 1. The show was sponsored by the Haliburton County Homebuilder's Association.

Beryl O'Connor, who helped to organize the event, said the fact that there wasn't a crush of people gave the show's exhibitors more time to talk with the people who attended.

"Everyone seemed

happy," she said. "We had a lot of positive comments."

O'Connor praised the Curling Club members who aided the cause.

"They were a really big help," she said.

John Pentney of the Minden Home Hardware was a participant for the second year. He agreed that the Home and Cottage Show was a worthwhile event.

"It gives people a good idea of what everybody's got to offer," he said.

Brian Holden, Publicity Chairman for the Haliburton County Home Builders Association said he thought it was an ex-

cellent show.

"The attitude of the people was more positive," he said. "People seemed more ready to buy. Last year we had a lot of excited tire-kickers."

"The only thing there seems to be any debate about is the timing of the event — should we hold it sooner, or later," Holden wondered aloud. "We feel we're on the right track."

Draw winners

Several draw prizes were donated by exhibitors and show organizers.

A dinner for two at Mattson's Country Club was won by Ellen Holden of Minden and a dinner

for two at McKech's Place was won by Lance Monkman of East York. Those prizes were courtesy of the Haliburton County Home Builders' Association.

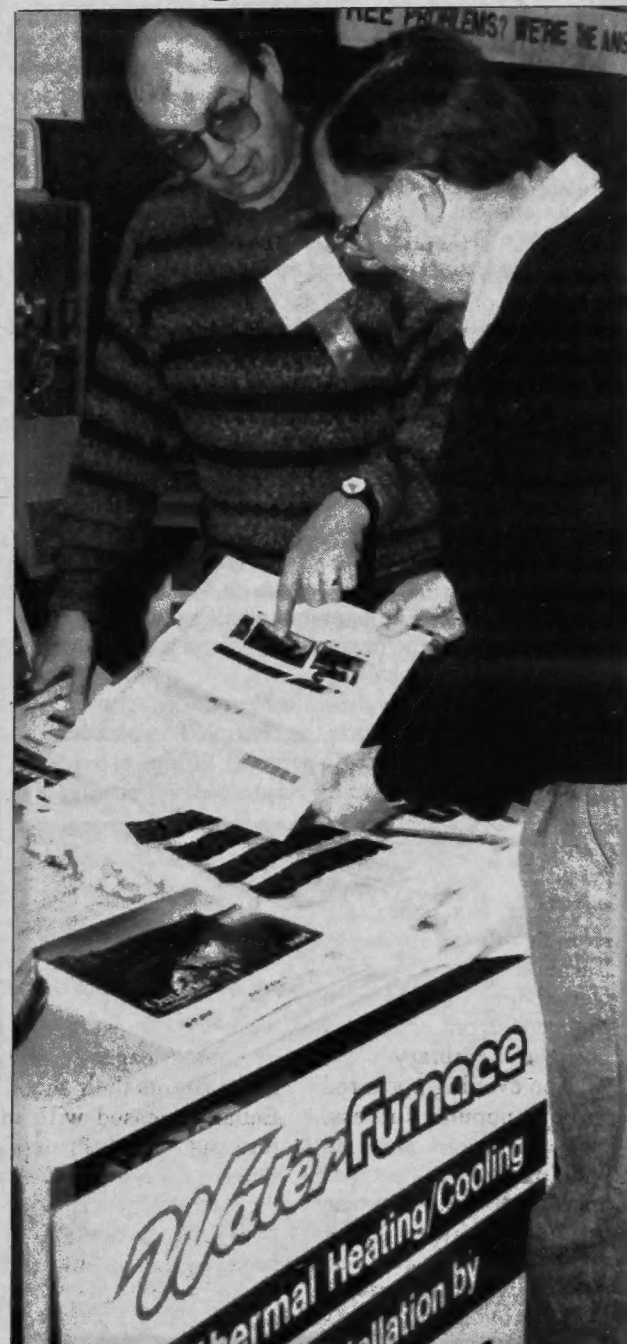

J.G. Burtch Construction donated three prizes. A fishing rod and reel combination was won by Bernice Hodgson of Burnt River. Ernie Roylance of Kinmount was the winner of a tackle box and a Bonanza air mattress was won by Pauline Plooard of Minden.

Jean Dutka of Minden won a flowering crab apple tree, donated by the Toronto Dominion Bank.

The winner of a propane gas barbecue, donated by Minden Home Hardware was Robert Clarke of Everett.

The Highland Glass and Windows prize winners were: Lesley Pearsell of Hamilton (Dive Sticks), Nick Mitchell of Minden (hardball), Barry Jones of Toronto (Mighty Ducks cap) and Eric Ormsby of Minden (Pitch & Catch).

Weed Man had two adult draws and one for children. Gary Bloor of Minden won the Weed Man Dandelion sweatshirt and a pair of Weed Man mugs went to Betty Jochim of Minden. Keenan O'Connor of Haliburton was the winner of a Mini Soaker water gun.

Jerry Walker of Walker's Heating and Cooling in Haliburton discusses various features of a heating system with a visitor to the second annual Home and Cottage Show.

Cal Leeder of Gull River Home Care explains blueprint details to a visitor to the Home and Cottage Show held at the Minden Curling Club.

Buildings to books at elementary school opening

(from page 3)

The students were asked to select a structure and attempt to duplicate it using materials at hand. Some chose famous buildings of the world, while others copied local historical structures and some drew from the experience of nature, selecting a spider's web to copy.

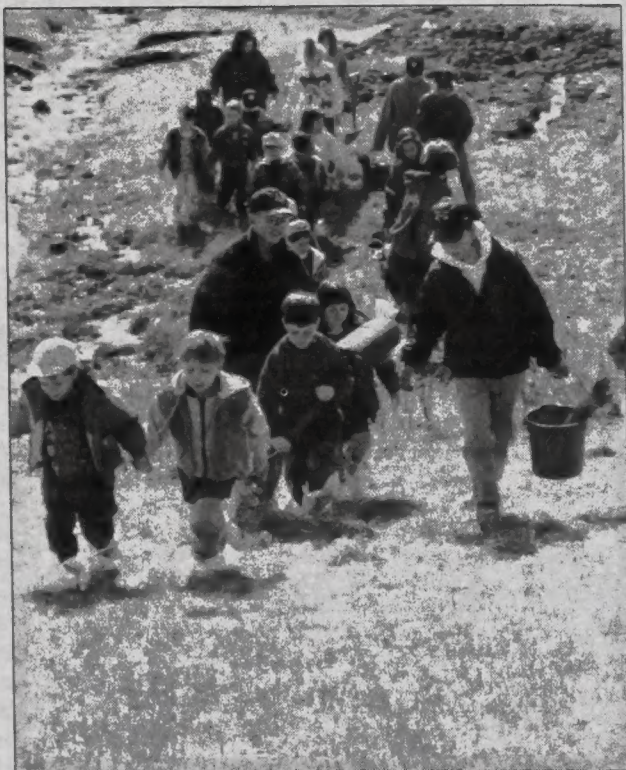

Drinking straws and marshmallows seemed to be the most popular building materials.

The projects were varied and included pyramids, the Ontario Science Centre, or one room red school house and a student's home. Each student had to explain where the structure was located, how old it was and what made it unique. There were 90 projects on display.

Sharing the space in the new library was a book fair. Books varying from health and fitness to Barney the Dinosaur were being offered with proceeds from the sales going to the library.

The evening appeared to be a popular success. Not only were students and parents in attendance, but many citizens of the community were also there to get their first look at the addition to Archie Stouffer Elementary School and the renovations to the existing structure.

It was the children

With shovels in hand and buckets of trees, kindergarten and grade one students trudged up the hill behind Archie Stouffer Elementary School Tuesday. With the assistance of senior students, the youngsters planted three year old red pine seedlings as a part of their involvement in the school's education week activities.

who were most excited, of course, eager to show their parents their school. Equally pleased with the turn-out was Principal Peter Forgrave. Obviously very proud of the new school, he flashed a broad grin as he welcomed parents and guests to the building.

The week concluded with the grade eight students participating in a job shadowing day. The

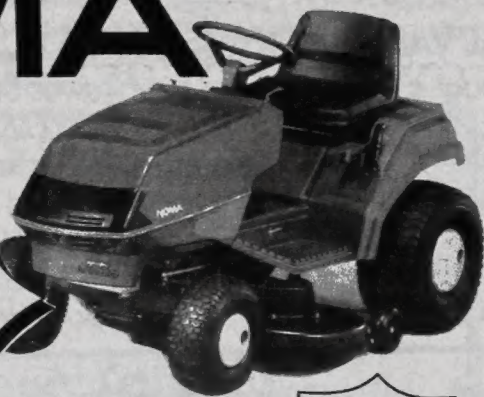

activity was designed to allow students to obtain a glimpse into the working world. Students sought out individuals in the community and spent the day "shadowing" these volunteers, as they went about their daily routine. The day gave them a first-hand look at the "real world" of work. The activity is part of their Career Awareness program.

Kinsmen honour CF supporters

The Kinsmen Club of Minden marked an important anniversary and recognized a number of valuable supporters Tuesday night.

The occasion was the thirtieth anniversary of the ongoing support offered by the Kinsmen/Kinette Clubs to the Canadian Cystic Fibrosis Foundation. The service clubs have been supporting the research into cystic fibrosis (CF) since 1964 and since that time have contributed more than \$20 million to the cause.

During that time, according to Club President Jim Carrell, great strides have been made toward curing or controlling the disease. He noted that when the Kinsmen/Kinettes first started with their support, a child with CF was only expected to live to age four. The average age has risen now to 30.

In a letter to the local club, the CF Foundation expressed its appreciation for the individual efforts of all club members and their supporters. "It is virtually impossible to express strongly enough our gratitude to our Kin friends. No group of supporters has had as strong an impact on the future of people with CF as have the Kinsmen and Kinettes," the letter said.

long-time supporter Norm Mills.

The Minden Kinsmen and Kinette clubs donate much of the funds they raise to the CF effort. The club also sponsors the Jason Lougheed Family Bike-a-thon for CF each spring. This year's event is scheduled for June 5. For more information, contact Roger Yearwood at 286-1114.

Guild volunteers recognized for their contribution

Six members of the Haliburton Highlands Guild of Fine Arts were recognised for their years of service and efforts provided to the community last Tuesday.

The awards were given to adults who have spent more than 5, 10, and 15 consecutive years of service in the commu-

nity.

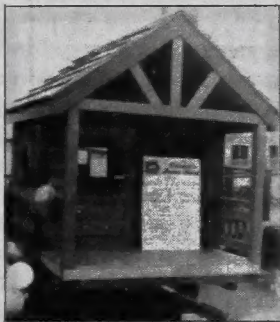

In a press-release the Minister of Citizenship Elaine Ziemba stated, "Most people are able to give something, but actually giving is where the difference lies - it is the mark of the volunteer."

"Their continued generosity, time and effort is a source of tremendous

pride for every citizen in the province. We are showing our appreciation for their compassion and generosity."

Those who were honoured from the Haliburton area are: Lynn Hancock, Dal Hubert, Charles O'Neil, Isabella Thomas, Mary Wallace, and Margaret McClure.

The real numbers issue

Haliburton County Council is once again toying with the number of representatives seated at its table. This isn't the first time the council has looked at reducing the number of elected representatives at the county council table by eliminating the seats occupied by deputy reeves. Discussions in the past have led to some realignments, but the question of eliminating the remaining deputies from the county council table have been inconclusive and so the status quo continues.

The question has been presented by some as representing a potential saving of \$10,000. While it is admirable that the councillors are seeking to cut costs at the county level, \$10,000 does not represent a windfall. As has been pointed out, some of the committee work done by deputy reeves will have to be picked up by the reeves, so any saving in this area could be more illusory than real. As well, it is questionable whether we can ask the reeves to carry the additional burden of more meetings, without increasing their honouraria.

While it is easy to simplify the question into a dollar and cents equation, we think the issue runs much deeper. This could be the reason the councillors are having difficulty coming to grips with just how many chairs there should be at the county council table.

As far as we're concerned, it is not a matter of the number of representatives but rather the number of municipalities in the county. This is the real issue with which the councillors have failed to come to grips and which must be straightened out before anyone can start counting heads around the table.

The arguments have been made any number of times. It is hard to justify the inefficiencies created by ten municipal governments (and the attendant ten clerks, support staff, by-law enforcement officers, road crews, etc.) in the county, especially when seven represent single townships.

Rather than attempting to pare down the number of county councillors, and save a potential \$10,000, it is time to pare down the number of municipalities within the county. The county needs municipal units which have large enough economic and population bases to make them viable units. This would create an initial saving at the municipal level that would follow through at the county level, both at county council and the board of education. It would also reduce the number of decision makers at these two levels and increase the speed and efficiency of the two governing bodies.

This is a municipal election year. It would be wishful thinking to expect candidates to come forward with a platform which includes the elimination of the very office they are seeking. However, if this county is to progress and prosper, if municipalities are to continue as viable entities and if the political aspirants are serious about lowering the property tax burden, then the only reasonable approach is to reduce the number of municipalities within Haliburton County.

Editor:

I am writing on behalf of the Haliburton County Committee Against the Abuse of Women (HCCAOW) to recognize the effort of the Minden Times to keep the SIRCH Emergency House project in the public eye (and mind). In our fast-paced world, it is easy for "hot issues" to quickly become yesterday's news and the Times deserves credit for not allowing the Emergency House crisis to fade away.

Some readers may have been shocked or disturbed by the graphic images and caption displayed in the editorial cartoon of May 2. For one in eight women in this county, violence is an everyday reality. This violence may lead to external injury, as shown in the cartoon, or the scars may be left on the inside, where they are much harder to see. There are

women, through no fault of their own, who have been left with "no place to go."

The H.C.C.A.A.W. is a group of concerned individuals advocating for women's safety in Haliburton County. Many of our members, in their work with social agencies, see the results of women abuse every day. Thus, we are painfully aware of the need for an "emergency house" to serve this county.

As the search for a new site for the house continues, the members of HCCAOW wish to express their ongoing support for the SIRCH Emergency House project. We hope that many others will find a way to do the same.

Lisa Kowaltschuk,
Chair, Haliburton County
Committee Against the Abuse of Women.

Opinion

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy.

Upon request, names may be withheld, but only very rarely and for compelling reasons. Letters published do not necessarily reflect the editorial policies or beliefs of this newspaper. All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

A time for action

Editor

It strikes me that we are too often concerned about the trivial. We ignore the real issues that face everyone of us and concern ourselves more with superficial matters that have very little impact on us in the long run. We pretend too often, to be concerned about real issues and then do nothing about them or avoid it. This not only happens globally, but right here in Haliburton County as well. The Emergency House project, which has been so controversial of late, is a prime example of how a real issue gets muddled in the mist of trivial politics. The real issue in Haliburton County and across the globe is that women and children are being victimized repeatedly by men. Not only is this happening on an individual basis, but it is also happening in our political patriarchal system - right here in Haliburton.

The community would be

in an uproar if animals were known to be routinely neglected and abused. The politicking in this community seems to avoid the real issue that women and their children need an Emergency House for their safety when leaving abu-

sive men. It is time that the community recognize that abuse is real and it is happening all around you. To pretend that women abuse happens elsewhere is to buy into a myth that simply is not true. To oppose or hold up the process of

bringing Emergency House into existence is to contribute directly and/or indirectly to the ongoing abuse of women. Emergency House is needed now. It cannot wait until tomorrow. A woman and her children need Emergency

House today! Their lives are at stake! Do we not have an obligation to protect them before it is too late? Let's get moving!

Here come the kindness guerillas

Today I would like to launch a full-frontal assault on the most insidious phrase in the English language.

The phrase is "Haveaniceday".

Everybody slings it at you. Postal clerks. Traffic cops. Shoeshinepersons. Used car salesmen. Ice cream vendors. Bus drivers. Matchbooks. Cocktail napkins.

Haveaniceday.

There was a judge in Cortland, New York who recently sent a crook to the slammer for seven years with the following summation: "You are hereby remanded to the custody of the sheriff's department for delivery to the custody of state officials. Have a nice day."

Which for me, is a perfect illustration of why the phrase has got to go.

It doesn't mean anything.

People who tell you to Haveaniceday couldn't really care less if you got hit by a Greyhound Bus once you're out of their sight. It's a kissoff phrase. What it really means is: "Next!"

Haveaniceday. One of the few soft spots in an otherwise magnificent language. The French say "Au revoir". The Spanish send you on your way with "Hasta la vista". The Germans wish you "Auf Wiedersehen". And the Italians bid you a magnificent tongue-tumbling "Arrivederci".

And what do we say? We say: "Haveaniceday". Such a wussy, smile-button, Ronald McDonald style benediction.

Maybe the problem is the word 'nice'.

When we swiped the word from the French

"haveaniceday"

Black'n White

by Arthur Black

back in the thirteenth century, 'nice' connoted 'foolish; senseless'. After a couple of hundred years 'nice' came to mean 'elegant' — in a show-offy kind of way. Later, 'nice' could mean lazy, effeminate, tender or subtle, depending on the linguistic whim of the day.

"Nice" has been around the block a few times and there are some folks in London, England who would like to put it into permanent retirement. Ray Chandler and Jo Ellen Grzyb run a course called The Nice Factor. They charge students the equivalent of \$300 Canadian to loosen those stiff British upper lips and sharpen their tongues. They teach executives, housewives, lawyers — whoever needs it — not to be so dashed diffident.

In other words, stop being so bloody "nice" all the time.

"The disease of niceness cripples more lives than alcoholism" claims Chandler and perhaps he's right. His partner, Jo Ellen, says she's a recovering niceperson. "I was so nice I used to apologize to plants and sofas that I bumped into."

Chandler and Grzyb aren't trying to turn out social commandos ready to stomp with jackboots where they used to cringe and cower.

"We are not against being nice itself, but we try to help people who are ALWAYS nice — even to people who do not deserve it — and whose lips always say yes when their minds say no."

Well, I suppose some folks could use such a course. But it's sad that we need a course to teach people how to be less generous.

I much prefer the rumours I hear of an underground movement that's flickering across North America right now. Near as I can tell, this movement was born in the brain of Gavin Whitsett, a Professor of Communications at the University of Indiana.

Whitsett engages in what he calls "random acts of senseless kindness." He buries nickels in sandboxes for kids to find. He clips coupons for foodstuffs he doesn't want and leaves them anonymously on the shelves of his local supermarket. He takes his Polaroid camera to the park or the beach and snaps pictures of happy families or couples in love — then gives them the photo.

No charge. No here's-my-business-card. No we-must-do-lunch.

Just...guerilla kindness.

Whitsett defines it as "doing unexpected kind things for other people, whether you know them or not."

Imagine. Actually being nice instead of chanting "Have a nice day".

Can you imagine what a world this would be if we all caught Gavin Whitsett's disease?

Catch you next week. I'm off to bury a few nickels.

On the Street

by Times Staff

Arnold Schrotter of Kinmount dropped in to the office last week with an interesting find. He brought in a couple of Minden newspapers from 1917 and 1918. The newspaper, which had been publishing for some 35 years, was called the Minden Echo and Haliburton Recorder. It is always a little dicey to look back at these old issues and compare prices...so remembering that this is almost 80 years ago....The newspaper, which was published every Friday, sold for two cents a copy or you could subscribe for an annual fee of \$1. Of interest to the local business community were the advertising rates listed for the paper, a regular ad sold for 7 cents a column inch, or you could purchase a quarter column space, (approximately 1 inch wide by 4 inches tall), for the year, for \$18. Advertisements for "farms for sale, teachers wanted, stray cattle etc, one column by one inch, four insertions, \$1, cash must accompany the order." There aren't many bargains like that around today.

GREY MANOR

Minden has a new bed and breakfast establishment. Cec and Dorothy Rowe will be opening their home to guests visiting our community. The Rows live in the lovely home tucked into the side of the hill on Main Street across from the Rhodes Medical Clinic. The large home has undergone a complete refurbishing, including the addition of air conditioning. Good luck to the Rows on their new venture.

SUZY Q'S

The downtown face-lift continues apace with new siding being installed this week on the front of Country Magic/Suzy Q's Inc. The new face follows major renovations to the interior of the store and new retail area in the lower level.....on the other side of the street, the Minden Stedmans store has a new sign. Installed two weeks ago the sign maintains the Stedmans connection, but also reflects the store's new V & S Department Store affiliation.

BWANA JOHN'S

Most Highlands merchants purchase new merchandise from visiting salesmen or at product shows in Toronto. There are few who get to travel overseas to see what is new for the coming season. Not so for Stephani and Steven Hartwick, the owners of Bwana John's Imports in Haliburton. Stephani has just returned from Thailand and Steven is expected back this week. The couple visit the Far East each year to personally select the items to be included in the eclectic array of third world crafts sold at their Highlands Street store.

FOR YOUR CALENDAR

The Haliburton Highlands Chamber of Commerce quarterly Business to Business meeting is slated for this Wednesday May 11 at PineStone Inn. Newly elected MPP for Victoria-Haliburton, Chris Hodgson, will be the guest speaker. This is the third meeting of this kind and is open to anyone involved in business in the county; a member of the Chamber or not. It is a great time to meet with fellow business people on a casual basis and exchange ideas. The meeting is co-sponsored by the Haliburton branch of CIBC and PineStone Inn. It starts at 6 p.m.....The next meeting of the Minden Area Business association is scheduled for June 1, at Mr. D.'s in the Heritage Plaza. The group is moving ahead on finding designs for the Minden welcome signs. A report on the group's last meeting can be found on page 26 of this newspaper....The community, including members of MABA, has rallied behind the organizing efforts of Pat Murphy and the Minden Timberfest Committee. Anyone interested in helping out is invited to attend the next meeting, May 10, 8 p.m. at the Red Umbrella Inn.....Bob and Eleanor Patton's new spacious showroom at Northshore Lawn and Garden, Highway 35 and South Water Street will be officially opened this Friday May 13 at 11 a.m.

Canadians all

Editor,

I am very weary of all this French-English phone talk. Canada from east to west is a land of privilege and opportunity. Do we really appreciate it? People from all over the world are clamoring to join us. Have Mr. Manning and Mr. Bouchard forgotten the art of "compromise" altogether?

Let us do some mature consideration, and find a national identity for which we have searched so long. Are we completely indifferent to our own historical record? This would be difficult for a lot of boys lying in Europe, who have paid the supreme sacrifice, to understand.

In spite of our late appearance on the world scene, we need not turn elsewhere for heroes and history. In any field of endeavor we have our gold medallists comparing favourably with any others.

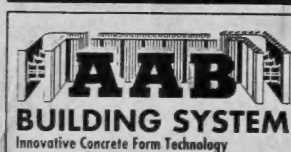

After the votes are all in and tabulated, it must be recognized that the efforts of Sir John MacDonald, Louis Lafontaine, George Brown or Sir Wilfred Laurier held the union together successfully, creating a nation of French and English together, even while a civil war raged south of our border.

Canadian Confederation has always been characterized by compromise between two languages and cultures, a two-way street with the leaders subordinating personal interests for a greater cause.

Again the time has come to find "the way ahead" with vision and foresight. Confederation was designed to provide and preserve the personal freedom and heritage of two nationalities far beyond personal ambition of the individual.

Canadian history has a story to tell of accomplishment through persistence, tolerance and compromise—"Let's all be Canadians."

Hardball Season

The 1994 Minden Hardball season will get under way on Sunday, May 15 starting at 10 a.m. at the Minden ball diamonds.

Ringer?: Chris Robinson of Minden lets a horseshoe fly as Jim Skinner of Stanhope waits his turn. Thursday evening was a primer for the start of the Jerry's Barber Shop Horseshoe Pitching League season at the Minden Fairgrounds. The top team from Thursday evening's action was Brian Smith's of Stanhope and Warren Shaddock's of Minden, with eight perfect games. The season will get under way in earnest this week. Anyone interested in getting in on the competition should contact Jerald Cooper at Jerry's Barber Shop in Minden.

Annual banquet and awards presentations honour senior curlers' accomplishments

by Aileen Blears

Our hearts are young 'neath wrinkled rind:

Life more amusing than we thought.

(Andrew Lang-1844-1912)

Small Victorian nosegays and beribboned balloons 'festive-ated' the dinner tables when Minden senior curlers and guests dined and danced at the Community Centre Friday, April 29.

Officially, the name of the occasion was Minden Senior Curling Club Annual Awards Dinner and Dance; unofficially, it was a party.

Head table guests included President Harold McCarthy and Molly, Master of Ceremonies George Hewitt and Jean, Rene and Ross Codlin and Jim and May Bradbury.

George handled his MC duties with panache. His humorous anecdotes (for which he blamed Molly) were well received. He managed to do what all good comedians strive to do -- he 'left them laughing.'

The 1994-95 executive was introduced, these being President Ross Davies, Vice President Ross Codlin, Secretary Muriel Harrington, Treasurer Harold McCarthy, Directors for one year Morris Duff and Dave McAdam, Directors for two years Bob Bullen, Hugh Hamilton and Gord Arthur.

Trophy and prize winners were:

Bruce Scribner Trophy - Jim Burton, Norm Gilmore, Bill Trapp, and Jim Gahagan.

Lorne Coburn Trophy - Marion Thomas, Marie Lennard, Jean Hewitt, and, Barb Walford-Davis.

Harold Morgan Trophy - Russ Fair, Gladys Wruth, Gord Arthur, and Betty Culley.

Ed and Peggy Pettinger Trophy - Milt Endicott, Tony Dymott, John Thomas, and Harold McCarthy.

Eric Hardman Trophy - Bev Wood, Hazel Maxwell, Aileen Blears and Ruby Wilkes.

Ralph Kennedy Trophy - Russ Fair, Mimi Carson, Harold McCarthy, and Ruth Hamilton.

Super Seniors Trophy - Gil Scott, Ebbie Bishop, Ross Codlin, and Ross Davies.

Bill Donnelly Trophy - Milt Endicott, Chris Dollo, Aileen Blears and Harry Troup.

There were many door prizes and spot dance prizes given out, and for these the Club is indebted to Frank Codlin, John Thomas, Jean Hewitt, Jean Robson, Ralph Newton and Lee Oster.

The evening was climaxed by dancing to the music of 'The Big O.'

There will be a General Meeting for members and social members at the Club Thursday, May 26 at 2:30 p.m. Don't miss this vital meeting!

Small strike zone: The coach said to crouch down to keep the strike zone as small as possible but this is ridiculous! Actually, the member of the Bantam A hardball team is ducking to avoid a mis-throw from the pitcher during the team's first practice last Thursday evening. All six of Minden's hardball teams are set to see action this coming Sunday, May 15 on home turf. The bantam A and bantam B teams will take to the diamonds behind the recreation centre at 10 a.m. The peewee A and tyke teams will see action starting at noon and the peewee B1 and peewee B2 teams have the diamonds starting at 2 p.m.

12 more threatened

17 CAS jobs lost due to funding cuts

The Kawartha-Haliburton Children's Aid Society is cutting 17 jobs and another 12 are being threatened.

On April 29 CAS board president Sandy Frise announced there will be a 20 per cent job cut due to lack of government fundings. Over the next six months people of all job levels will be laid off.

Negotiations were made between CAS and the Ministry of Community and Social Services for a necessary \$469,000 in fundings. The ministry has failed to secure the fundings causing the layoffs.

In the Haliburton Highland area there are

only two workers. Even these two do not know if they will still have jobs within the next six months.

In a press release Frise stated, "The agency has produced comparative statistics to demonstrate it is not over-staffed, overpaid or overmanaged."

"Despite this, the Ministry has taken the firm stand that the agency must absorb costs in excess of a base budget approved in 1991. The board is now left with no alternative but to proceed with layoffs," said Frise.

The ministry has suggested the CAS should refer more cases, such as those dealing with the

developmentally handicapped, to other community services.

Once the cuts are made, the CAS will have no capacity to provide

other than "hard core" protection service.

"This is a sad day for this agency and the communities we serve," concluded Frise.

Happy Birthday Mommy!

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

PUBLIC NOTICE

File # SR-1/94

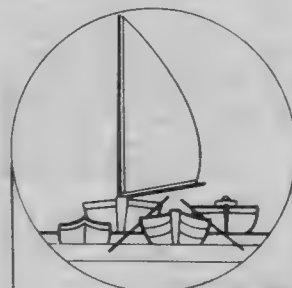

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owners a portion of the original allowance for road set out and described as follows:

FIRSTLY: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Black Lake, lying in front of Part of Lot 27, Concession 8, and being more particularly described as Part 4 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-5580.

THE PROPOSED BY-LAW will come before the said Council for consideration at its Regular Meeting to be held at the Municipal Office, located three miles south of Minden on Highway #35 on the 9th day of June, 1994, at the hour of 4:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

DATED at the Township of Lutterworth this 18th day of April, 1994.

Timberfest finds community support

The Minden Timbersport Festival is a go for another year.

There was some concern earlier in the month that a committee could not be found to organize the event for early June. Pat Murphy, who chaired the organizing last year with Minden councillor Jean Anthon, made a plea at the latest Minden Business Improvement Area the Minden Area Business Association meetings for assistance.

As a result, a committee of at least a half dozen interested citizens has been formed to oversee this year's event.

The Timbersport Festival was held for the first time last year in Minden and attracted a great deal of interest. It bring loggers and timber jacks together in a series of competitions involving logging skills. Last year's events included log chopping, pole climbing, chain and cross cut sawing competitions and others.

Last year competitors came from across Ontario to take part. The \$3000 purse was the largest offered in the province and organizers plan to offer the same amount this year.

"It is important that we continue to offer the big-

gest purse in the province," one of the volunteers commented. "We want this event to be number one."

At the organizational meeting on Wednesday night, it was pointed out that the Timbersport Festival has the potential of becoming as big a draw to the community as the Sled Dog Derby. It was also suggested that this would be the type of event which would be of interest to a major sponsor; perhaps one associated with the logging industry.

For the moment however, the organizers are concentrating on attracting local sponsorship for the ten event scheduled for this year's festival. A sponsor of an event is expected to provide the \$300 prize money. Secondary sponsors were also included in last year's program.

In addition to lining up sponsorships, the committee is in the process of organizing the events for the day. Once again this year the competitions will be held right downtown, with the Main Street blocked off to traffic. The date of this year's event is June 11.

Anyone interested in assisting with the organization of the event is invited to attend the committee's next meeting scheduled for May 10 at the Red Umbrella Inn. The meeting will begin at 8 p.m.

Women teachers meet at PineStone

The Region 4 Assembly of the Federation of Women Teachers' Associations of Ontario was held at the PineStone Inn Saturday. An estimated 220 people attended, of which 180 were voting delegates.

The Regional Assembly is a prelude to the Annual Meeting, which will be held at the Royal York Hotel in Toronto in mid-August. More than 1,000 members of FWTAO are expected to attend that meeting.

Haliburton Women Teachers' Association President Marg Valentine, who was the host of the Regional Assembly, said that one of the purposes of the assembly is to "air some of the resolutions in preparation for the Annual Meeting."

Among the issues that were expected to be dis-

cussed is the impact of the Social Contract. Another is the ongoing membership issue. The fact that it is a "women teachers'" association has been challenged since the Federation was formed 76 years ago, and more recently in the courts.

Regional Presiding Director and Past President of the FWTAO Margaret Dempsey was scheduled to preside over the assembly.

Invited guests included Hilda Clark of the Ontario Superannuated Teachers as well as Haliburton County Board of Education Director Brad Saunders and HCBE Chairman Lloyd Griffiths.

During the assembly three directors were elected to represent Region 4. There is also an

opening for a Political Action Convenor for Region 4.

A Goodwill Convenor for Region 4 was also elected.

During the assembly, seven local artisans displayed their work at a craft table. A percentage of the profits from the sale of these crafts will be donated to SIRCH (Supportive Initiatives for Residents of the County of Haliburton).

Region 4 encompasses an area from the Quebec border in the east to Durham Region (the Oshawa area) and from Lake Ontario to Haliburton County in the north.

This is the second time in 10 years that the Regional Assembly has been held in Haliburton County.

The FWTAO represents 42,000 women teachers across the province.

April was a typical spring month. Snow was gradually gone by April 12 and the ice on the lakes gone by April 24. The average temperature was about the same as last April (5.5C/42F) even though it seemed colder. About only the memory is left of the cold winter. Many thanks to Ron MacKenzie for looking after the records for January, February and March. A real good job and no frozen fingers reported Ron.

MNR advises

Leave 'orphaned' animals alone

Removing young animals from the wild in an effort to protect them can often endanger their lives. The best way to protect them is to leave them where they are.

At this time of the year, the Ministry of Natural Resources receives many inquiries regarding wildlife that appears to have been orphaned. Usually these animals have merely wandered off or have been forced away from their homes for any number of reasons.

"Should you come across a young animal or bird, we ask that it be left alone because the parent is probably nearby," says

District information officer Bryan Steele in Midhurst. "In some cases, once the young animal has been handled by humans, the parents are reluctant to care for it

again."

Trying to turn a wild animal into a pet, even for a short time, is not a solution. "Keeping wildlife away from its natural habitat can also be a con-

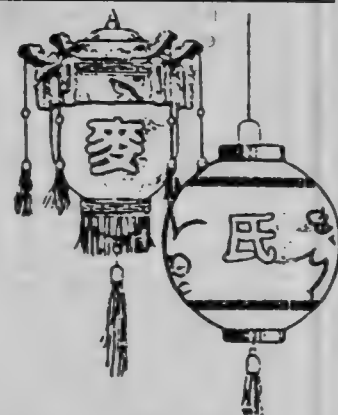

travention of the Game and Fish Act," said Steele. "Except under the authority of a licence, no person may keep live game in captivity for more than ten days."

Goldman prizes awarded

Environmentalists these days wage a difficult struggle against bureaucratic inertia, public apathy and open hostility and resistance from people with vested interests in maintaining the status quo.

And now with the media preoccupied with economics, support for many environmental groups has waned. It's not surprising that environmentalists often burn out and there are few occasions to celebrate.

Last week in San Francisco, those fortunate enough to get a coveted invitation were able to revel in an all-too rare opportunity to honour genuine eco-heroes. The occasion was the awarding of the Goldman Environmental Prizes, the largest grassroots award program in the world, to individuals "from each of the inhabited continents." About 1500 people packed a San Francisco theatre to witness the fifth annual awards ceremonies.

Begun in 1989 by philanthropists, Richard and Rhoda Goldman, the prizes are given to people who are actively working at the grassroots. Each of the six awards is worth \$60,000.

It was inspiring to realize that a movement to conserve natural resources and improve the environment is alive and vibrant at the local level even among the most impoverished and powerless people in the world.

Among this year's winners was Andrew Simons from St. Vincent Island in the Caribbean who recognized that poverty and environmental destruction are linked. By improving literacy, skills and employment, he has been able to recruit young people to protect the area's natural resources.

Egypt's Laila Kamel has helped to improve the lives of Cairo's garbage collector population. Kamel pioneered many recycling programs that have raised the standard of living through composting household waste to make fertilizer, recycling and reworking metals and weaving rugs from rags.

Tuenjai Deetes of Thailand works with hill tribe refugees from Burma and Laos. By encouraging them to practice sustainable forestry and agriculture, she has helped to reverse destructive deforestation and soil erosion.

For the second time, a Canadian, Matthew Coon Come, received this prestigious award. He follows B.C.'s Colleen McCrory, who earned the prize in 1992 for her tireless efforts to protect forests from destructive logging practices.

Coon Come, grand chief of the Quebec Cree, was recognized for organizing international opposition to Hydro Quebec's plans to carry out the second phase of the James Bay hydro-electric project by damming the Great Whale River.

In spite of the proposed flooding of an area the size of France, no assessment of the ecological impact has been made. The Cree fought to the Supreme Court

Reflections

by David Suzuki

state canceled its \$5 billion contract for Quebec electricity, thereby dealing a heavy blow to the economic rationale for the destructive mega-project.

Two of the awardees were especially inspirational. German single mother, Ildiko Schucking, works from an office in her home.

In 1988, she prepared the "Rainforest Memorandum" which documented the way German consumption is responsible for the destruction of tropical rainforests. She called for an end to German funding of destructive practices and organized 1,200 local councils to abandon the use of tropical timbers. As a result, consumption of tropical wood fell dramatically. She is now calling for reform in foreign aid, focusing on the World Bank.

In her acceptance speech, Schucking said: "We are in a war against nature and the people who live close to nature. The cause is the industrial notion of development." She made a shocking estimate that "Germany probably causes extinction of more species globally than there are species in all of Germany." She suggested that instead of looking to destructive practices in the south, we should look at the driving forces coming from the industrialized nations.

In Ecuador, indigenous people represent 45 percent of the total population, yet they have almost no political power. Luis Macas, a Quichua Indian from the Andean highlands, has been a main champion of indigenous rights.

On May 28, 1990, he got more than a million indigenous people in Ecuador to stop work. The massive general strike that followed forced the government to begin discussions with the indigenous people.

Two years later, three million acres of land in the Amazon basin were formally granted to 148 communities of indigenous people. Macas is now opposing the oil drilling going on in these lands.

The Goldman Awards were an occasion to recognize that all over the world, people are struggling for the Earth, often at great physical risk and personal cost. And for a moment, the struggle was not lonely and difficult, but a powerful worldwide movement.

which ruled in February that Hydro Quebec cannot export electricity without a federal environmental assessment.

June 18 meeting

Final draft of Burnt River flood plain study will be discussed

by John Huke
Somerville Reeve

The chairman of the Ontario Municipal Board, on April 7, at the Kinmount Community Centre, heard the appeals of people who have land along the Burnt River within the floodway as outlined in the flood plain study which was initiated in 1988.

Council was forced to impose an interim by-law, which is in force for a maximum of two years or less. The by-law allows time for the study or other action to be implemented by the township, which currently is being attempted.

Property owners cannot build on vacant land designated within the floodway until new zoning proposals are implemented. There are no restrictions on existing buildings considered to be dwellings.

Many of the concerned owners left the meeting with a much clearer understanding of why the township could not give notice before passing the interim by-law, as is required on all other by-laws.

As much as the local council has worked to inform the local ratepayers' executive of our intentions over the past 12 months, many owners did not receive the information as the steering committee (which was originally comprised of the many Road Associations) was disbanded during the past few months.

The chairman of the OMB, in his decision, was very clear in his summation. He said that the council had shown a professional business approach in dealing with the problem, taking the middle of the road position, attempting to soften the results of the flood plain study.

The council is working with the County Planning Department and with lawyers to develop a plan. The final draft will be available shortly and made public at a meeting in Burnt River on June 18 at 10 a.m. The Township will attempt to meet with executives of the various associations affected, prior to June 18 to hear suggestions and general views. We want to ensure everyone understands the contents of the plan.

The OMB chairman

also made it quite clear that the Township had acted according to the Planning Act and not secretly, as was the opinion of some of those present.

I have attended other OMB hearings which were disrupted with disorder and great misunderstanding of procedure. Fortunately, everyone in

attendance at this meeting was most co-operative and showed great personal restraint in what is a horrendous situation, especially when you are

faced with the possibility of not being able to use land you may have worked for many years to obtain.

No, we will not be

able to please everyone. But we are attempting to make more lots usable, softening the impact of the study.

AUDITORS' REPORT

TO THE MEMBERS OF COUNCIL, INHABITANTS AND
RATEPAYERS OF THE CORPORATION OF THE
UNITED TOWNSHIPS OF LAXTON, DIGBY AND LONGFORD

We have audited the consolidated balance sheet of the Corporation of the United Townships of Laxton, Digby and Longford as at December 31, 1993 and the consolidated statement of operations for the year then ended. These financial statements are the responsibility of the Townships' management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the United Townships as at December 31, 1993 and the results of its operations for the year then ended in accordance with the accounting principles disclosed in note 1 to the consolidated financial statements.

Dream home for kids is Heart Foundation prize

The Haliburton County Heart and Stroke Foundation launched its Children's Dream Home Raffle at the Minden Home and Cottage Show.

More than a dozen Heart and Stroke Foundation members and volunteers from the county will be selling tickets on the dream home until the draw in September. They are hoping to raise \$10,000 for the Foundation with this special event.

The prize is a kid-sized house built by Paul Mayo and decorated by Paul, with some help from his wife Sue Bennett. They generously donated their time and resources to contribute to this fund-raising project.

Several local businesses helped make this fund-raiser a reality by donating supplies. Schwandt Homecare Building Centre, Emmerson Lumber, Haliburton Lumber, Gull River Homecare,

Minden Home Hardware and Carnarvon Lumber all contributed to the cause.

Mayo said it took about eight days to complete the construction. It was designed with safety in mind, with no sharp edges to injure the youngsters who will be playing inside.

The Children's Dream Home features a cedar shake roof, cedar siding and a cedar deck. Tickets will be available at the Haliburton Home Show, slated for the weekend of June 3, 4 and 5 at the Haliburton Curling Club/Dysart Community Centre.

The mini dream home will be on display at local real estate offices and tickets will be on sale wherever the home is on display.

Tickets are \$5 each or three for \$10. Tickets can also be obtained by writing to Heart and Stroke Foundation, Haliburton County Chapter, Box 833, Haliburton, Ont. K0M 1S0.

Children's Dream Home: Dream Home Chairperson Dwaine Lloyd, Treasurer Joyce Gostock and Campaign Chairperson Al Gostock (l to r) were busy selling tickets at the Minden Home and Cottage show. Profits from the project will go to the Heart and Stroke Foundation of Ontario.

Minden Lions win awards

On the weekend of April 22, the Lions of District A-16 held their 18th annual convention in the city of Peterborough. There were 684 Lions, Lionesses and Leos registered. The city of Peterborough's hospitality made everyone welcome.

Friday night was the warm-up and welcome at which a karaoke contest was held. The Minden Lions entered a duet, Tom Gardner and Brian Moore, that came away with the first place. On Saturday morning the parade was held with great success. With the number of floats and walking groups entered, it took 45 minutes for the parade to pass the reviewing stand.

The Region Rallies were held Saturday afternoon. At our Region 52 Rally, six of the Minden Lions were honoured for their work and dedication to Lionism. Lions, Greg Readman, Daryl Moore, Brian Moore, George Moulton, Doug King and myself, Maurice Boyd, received the Melvin Jones Fellowship Award. This is the highest honour conferred by the Lions Club International Foundation. The Minden Lions Club were very proud of this accomplishment by its members as there were only eight of these awards presented in all of District A-16 this year.

At the business section on Sunday, our Lions continued to collect awards for our outstanding community and world-wide activities. Lion Al Stott received the Bulletin Editors award for his monthly bulletin for a Club with under 40 members. Congratulations Al.

For the fourth consecutive year our club won the Past District Governor Gord Forgie Cup for the most visitations. We also won the past governor's trophy for the second time as the best over all Club in our District. As you can see your Minden and District Lions are well known throughout our district and southern Ontario.

The County of Haliburton was well represented at this convention by three Lions Clubs; Kinmount, Haliburton and Minden.

The Minden Lions congratulate the Haliburton Lions on the nomination of Lion Ev Saxby to the position of Region Chairperson for Region 52 for 1994-1995.

Luxury draw: Back in January, the Minden and District Lions Club pledged to donate \$100,000 to the County Hospital Plan. A seven member committee was appointed by Lion President Daryl Moore. Lion Doug King and myself were asked to co-chair the Committee. Since that time, the Committee put together one of the most ambitious fund raisers ever undertaken by our Lions Club.

We decided to sell 400 tickets at \$100 each. This fund raiser would give away more than \$20,000 in prizes or cash in 14 monthly draws beginning in May 1994. Each draw will take place on the fourth Thursday of each month at the Lions bingo held in the Minden

Service Clubs

by Lion Maurice Boyd

Community Centre.

At our dinner meeting on Wednesday, March 23, tickets were distributed to our members. To our astonishment, all 400 tickets were sold by Monday May 2. Lion Doug King and myself, as co-chairmen of this fund raiser, would like to thank the residents and visitors of Haliburton County for their tremendous support. We wish everyone that purchased tickets the best of luck. Come out to bingo on Thursday, May 26 and be present for the first early bird draw.

On Saturday May 20, the Lions will be holding our annual voluntary toll bridge on Main Street from 8 a.m. till 5 p.m. We ask you to assist us in this fundraiser as half of the proceeds will go towards our hospital commitment.

Welcome sign prize awarded

The Minden and Area Business Association held its general meeting on Wednesday, May 4 at the Heritage Plaza. Once again the attendance was excellent and the discussions were lively and very positive.

The group reviewed the entries in the sign design contest and Andy Hillo was declared the winner. He presented several excellent designs and has agreed to customize a final design. Dan Mills of the M.A.B.A. is now proceeding with the association's application to M.T.O. for approval of the

sign locations and construction. The association also agreed to initiate a raffle to raise funds for the cost of the signs. They also will be holding a combination silent and active auction to be held Canada Day at North Shore Lawn & Garden Centre in Minden. Merchandise for the auction will be solicited from area businesses and the association hopes to receive donations from area residents as well. The raffle tickets will be hitting the streets some time

next week and will be available in several local business locations and through members of the association. Keep an eye open for a large ad in future issues of The Times.

The group will meet again on June 1 at 6:45 p.m. at Mr. D's Donuts in the Heritage Plaza.

Once again we are extending an open invitation to any area business owner who would like to join our members in their efforts to create a healthier business climate for Minden and the surrounding area.

Tighter rules placed on health card holders

Health care services provided by the Ontario Ministry of Health are intended only for residents of Ontario.

As of March 28, when applying for a new or replacement Health Card, you must provide an original document to verify citizenship status and documents to show that you are a resident of Ontario.

To avoid any risk of disruption of coverage, the ministry is asking card holders to verify their current address. Failure to notify the ministry of any change may effect your cover-

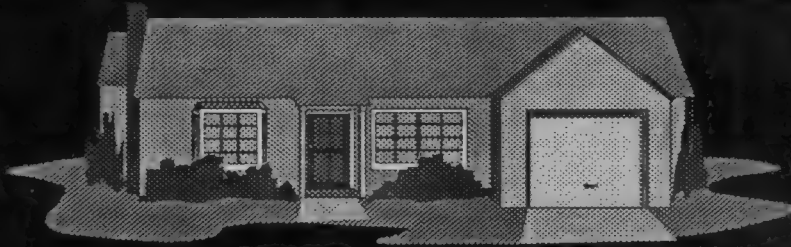

age when you need it most.

For assistance contact your nearest Information Centre in Haliburton or Minden.

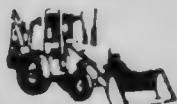

In Haliburton, the office is located in the Drag River Municipal Building, Maple Avenue. It is open Monday to Friday, 10 a.m. - 4 p.m. For information, phone 457-2733.

For Minden residents, the centre is located in the Anson, Hindon and Minden Municipal Building, Milne Street. It is open every Tuesday from 10 a.m. to four p.m. For information call, 286-4100.

*The sweet taste of spring***Residents enjoy syrup and pancakes**

(Intended for last week.)

Saturday April 15, Nancy Gayton came to play piano music for us in the Trillium Lounge and brought the following ladies with her to sing for us - Helen Holden, Muriel Green, Irene Fuhr, Shirley Mitchell and Mary Wilson. They sang many beautiful songs and we hope they come back again very soon. We thank them for giving us an enjoyable afternoon.

On Monday afternoon, Estelle Burch came to read another chapter in the interesting book we have been reading. We are almost finished and I hope the next one is as enjoyable.

In the evening, Rev. John Burgess took the chapel service and Marion Hunter played the music. We enjoyed his message very much. We thank both John and Marion from our hearts.

Monday we held fitness as usual in the auditorium. In the afternoon we had Residents' council. The speakers were Phyllis Hiltz-Bontje, Nursing Director and Llynn Shirley, Food Supervisor.

Tuesday morning Rev. Peter Walford-Davis conducted the Tuesday morning chapel service. At noon the ladies from the United Church held their luncheon in the auditorium. In the afternoon we had craft and worked on crafts for Mothers' Day. In the evening Doreen came to help us play a couple of tables of euchre. We thank her

Senior League

by Winnifred Barnum

very much.

Wednesday at noon all the residents went to the auditorium to have lunch which consisted of pancakes, sausages and maple syrup. The maple syrup was donated by Louise Berry of the Copper Kettle. She also sent each one of us candy of maple syrup which was delicious. Doris and Cathy made the buckwheat pancakes and sausages. Everyone enjoyed the luncheon very much. The dessert was assorted squares.

After lunch we went on a bus trip to Zion United Church in Carnarvon to attend the spring tea to which we are invited each year. The theme for the tea was "Noah's Ark". Presentation by Evelyn Coleman and a skit by Rev. Walford-Davis and Al Bornman and called "Noah's Neighbours" followed by a song by Hazel Darwin. We had another skit performed by Owen Harrison and Mary Stevenson. Ruth Gorrie was in charge of the program which was followed by a lovely tea. In the centre of each plate the ladies had made a lovely dessert in the shape of Noah's Ark and on the outside they placed animal biscuits in a circle. It was delicious. We thank the ladies very much for inviting us to this tea. We also thank the ladies who helped all of us get into the church so we could go

to the tea.

Tuesday evening Everett Fairey and Ted Robinson came and played and sang for us. We enjoyed their music very much and look forward to them coming back again soon.

On Thursday the ladies from the United Church at Maple Lake came to serve us some tea and lunch. It was delicious and we enjoyed it very much. Those serving were Catherine Owens, Evelyn Stata, Elaine Barry, Myra Marshall and Hazel Darwin. Catherine Owens kindly played the piano for us after the tea. We sincerely thank them for coming and giving us this happy afternoon.

April 23-29

Some of our weeks seem very much to be the same. This week started with a couple of tables of euchre in the auditorium with Sue Crego helping those who needed it. We are sorry Sue is unable to come anymore, we sincerely thank you.

In the afternoon, Elva Deacon came and played the piano for us. Thank you Elva, we enjoyed it very much.

Monday morning, the residents of Hyland Crest presented Marie Baker with a lovely lamp for her retirement. We would like to wish her the very best in her future endeavours but are very sorry to see her leave. The afternoon was spent in watching a

video.

Chapel service was taken by Rev. Nick Murray on Tuesday morning. The service was a memorial for Leonard Hamilton. Also, we enjoyed playing cards in the evening with Corinne Arsenault. Thanks, Corinne.

Wednesday afternoon we played cards in the auditorium with "Pearl and The Girls" (Pearl Cowen, Mabel Deacon, Jeanne Sears and Mary Wilson) helping us. We had a very happy afternoon and would like to thank the girls.

On Thursday, the Times and Echo were at Hyland Crest taking pictures of Margaret LeBoutillier who was celebrating her 90th birthday. We had our afternoon tea party provided by Hunter Creek Estates. We had a delicious tea and extend our thanks to Marion Hughes, Ruth Perkins, Anne Baker, Helen McIntyre, Mabel Moffat, Jean Dugan and Doris Hart. There was bingo in the evening with Kathy Woods calling the numbers for which we thank her.

We enjoyed our Friday afternoon Happy Hour as usual. Thank you Doris Robertson and Norm Graham. We also wish to thank our volunteers Don and Ellen Holden, Dottie Muirhead, Bonnie Fullan and Loreen Swinson.

We would also welcome our new residents, Margaret Robinson, Lillian Martin and William Kennedy.

Management Board Secretariat Bark Lake Leadership Centre Class Environment Assessment Wastewater Treatment System Notice of Filing of Addendum

The preferred alternative in the Environmental Study Report for wastewater treatment at the Bark Lake Leadership Centre was a facultative lagoon system. After a detailed survey and soils investigation of the proposed lagoon site, it was determined that the facultative lagoon sewage treatment system is no longer the preferred alternative due to difficult terrain and soil conditions which result in a very high cost of construction.

The Addendum has now been completed to the Environmental Study Report which was issued March 15, 1993. The Addendum outlines the circumstances necessitating the change of the preferred wastewater treatment alternative from a facultative lagoon to a mechanical treatment plant and the details of the preferred alternative with all environmental impacts and mitigating measures discussed.

By this Notice the Addendum is being placed on the public record for review in accordance with the requirements of the **Class Environmental Assessment for Municipal Water & Wastewater Projects**. Subject to comments received as a result of this Notice, Management Board of Secretariat intends to proceed with the construction of this project in the Fall of 1994.

The Addendum is available for review at the following locations:

Further information may be obtained from the Consulting Engineers, R.J. Burnside & Associates Limited, 15 Townline, Orangeville, L9W 3R4 - Telephone 519-941-5331 Attention: Ms. Beth Burrows, P. Eng.

Please provide written comment to the Management Board Secretariat within 30 calendar days from the date of this Notice. If concerns regarding the change of the wastewater treatment at the Bark Lake Leadership Centre cannot be resolved through discussion with the Management Board Secretariat, a person may request that the Minister of the Environment & Energy "bump-up" the project to an individual environmental assessment. "Bump-up" requests must be received by the Minister at the address below by June 7, 1994. A copy of the "bump-up" request shall be sent to Management Board Secretariat. If no "bump-up" request is received by June 7, 1994, the Management Board Secretariat intends to proceed with construction as outlined in the Addendum.

Vacation home security

The local detachment of the OPP has offered a number of home security tips to those who are going on a vacation.

They say when leaving your home for a vacation it is important that you take certain precautions to ensure a happy return following your time away. Many criminals look for tell-tale signs that the owner of a house is away. The majority of burglaries are committed by opportunistic people who identify a circumstance where they are required to take as little a chance as possible to obtain as great a return as possible.

Knowing how not to leave the "door open" to these criminals is a first step in community crime prevention.

Here are some of the tips:

- discontinue mail and paper delivery or arrange to have it picked up daily

- ensure all doors and entrances are secure

- ensure your neighbours are aware that you are going away and for how long

- leave a key with someone you trust

- use a timer to switch on and off various household lights

- have a neighbour frequently check your home and periodically reposition the curtains

- have proper outside lighting that turns off and on automatically

- for extended summer vacations, hire a neighbour to keep your lawn cut

- if you are away during the winter, keeping snow off the driveway and walks is very important

Consider becoming involved in a Neighbourhood Watch program.

OPP answering system

Wait for the beep

The Ontario Provincial Police in Number 8 District has announced a new enhancement to the telecommunications system. Commencing May 11, local detachments will be equipped with answering machines to handle after hours calls.

These machines will be used to provide a better service to the community. When detachment staff is unavailable, the machines will assist the caller in using the 1-800 police service number to contact the OPP Communications Centre at Peterborough or provide the option of leaving a message if the matter is of a non-emergent nature.

If the message is for a specific officer, it may be left for his or her attention. If it pertains to a general enquiry, an officer will return the call as soon as possible. If callers wish to contact the OPP immediately, they may use the 1-800 number.

This enhancement will allow the public to make direct contact with their detachment 24 hours a day. The answer machine capability will assist the police in dealing with the day to day enquiries of the community and free up the 1-800-461-6488 number for police assistance call from the public.

Around the County Town

by Jeanne Sears (call 286-1538)

May 1 the Jim Allen Tournament was held at Carnarvon Lanes. The winners came from the Wednesday afternoon league and were Ken Thompson, George Minors, Jean and Bill Stead and Lil Allen. Total points were 3529. The high single flat went to Marie Thompson of the Thursday afternoon league with a flat game score of 308. The hidden score in the third game was won by Bill Stead. This was the last tournament of the season at Carnarvon Lanes after a very successful winter.

Went to the high school last Sunday afternoon to see the play "Daddy's Dyin' Who's Got the Will" thanks to the Home Support Services. It was an excellent performance and we had a great afternoon. Thanks to everyone concerned.

Lucky winner at Kinmount Legion Branch 441 on the 50/50 draw was Helen Perrin of North Bay who took home \$99.

Sorry to report the death of Mrs. Fraser Roger's Dad, Cliff Godwin, a former teacher and resident of our village.

Weekly winners at St. Paul's euchre games on May 2 included, for most lone hands on a cut, Jeanne Sears while others were Marian Parker, Verna McDonald and Roberta Walker. The draw went to Marie Dennie.

By request here are the Minden Library hours once again: Tuesdays 1:30 to 5 p.m.; Wednesdays 10 a.m. to 12 noon and 3 to 5 p.m. Thursdays 1-5 p.m. and 7-9 p.m. Fridays 3-5 p.m. and Saturday 1:30 to 5 p.m. They recently had a book exchange and requests are filled promptly. Visit the library often - it's my favourite way of filling leisure time.

We have been informed that Lil Martin is now a resident in Hyland Crest and Bob Pratt has moved to Extencicare.

Euchre game winners at Minden Legion Branch 636 Seniors Group on May 2 included Verna McDonald for most lone hands while others were Iris Taylor, Jack Chilton and Anne Baker. The group is still working on its quilt Tuesdays mornings.

Tuesday afternoon Stanhope Bridge club had 5 tables playing and the winners were Len McNeice, Vange Croucher and Pearl Foster. We are now back upstairs and play each Tuesday at 1 o'clock and all bridge players old and young are welcome, no partners needed. A big thank you to John Klok and Russ Fair who looked after the bridge club all winter.

Winners at Legion Branch 636 euchre games on April 28 included Sherin Brown with most lone hands, Verna McDonald and Vivian Anderson,

Pete Learn, Helen Skelding, Collin Brennan, Marie Dennie, Ralph Schroter, Jack Chilton and Orval Francis.

On May 18 at 7:30 p.m. Canada's only on-going Canadian Legion Trivia Night will be held at Minden Legion Branch 636 with many prizes and laughs. Members and guests are most welcome.

County Town Museum members are planning their annual Garage Sale for July 16 and will be happy to receive useful articles you might like to donate to their projects. For information or pick-up, please call 286-1682. They are having a quilt raffle on the go so watch out for those tickets.

Club 35 euchre games winners on May 2 included, for most lone hands, Verna Sawyer, Betty Mathews and Harold Culley with the high scores, Anna Smithwick, Peter Smithwick and Norm Lee. Nancy Madill was the lucky winner of the 50-50 draw and special awards went to George Hewitt and Anna Smithwick. The next wheels to meals at Club 35 is May 10 at 12 noon. For information call 489-3016.

Burnt River branch of the Women's Institute had afternoon tea in a small room at their Centre and ladies from all over the County enjoyed a lunch snack and tea and a nice visit. Those present

from Minden W.I. were Mary Cox, Annie Kernohan and Maud Coulter.

Tuesday, May 2 euchre game winners at Gelert Centre were Marion Minaker with most lone hands, Bessie Burk, May Hicks, Gord Kellett and Chic Minaker. There will be two more evenings of euchre, May 17 and 31 starting at 7:30 p.m. so make a note of those dates.

Lisa and Tiffany Heels from Victoria Harbour visited recently with Bob and Audrey Vick. Audrey is getting about quite well after knee surgery.

Minden Library Committee will meet on Wednesday, May 18 at 7:30 p.m. in the Library.

Sincere sympathy goes to the families and friends of the late Wendy Manuel, Lillian Fry, Ruby Cartwright, Florence Parnell, Bruno Tiberi and Andrew and Alyce Murdison.

All good wishes to the following reportedly on the sick list: Eleanor Pye, Gerald Hicks, Erna Little, Wayne Anderson, Clarence McInerney and anyone else we didn't hear about.

Last, but not least, the Minden Women's Institute meeting will be held at 2 p.m. at the Library Cultural Centre. All interested ladies are welcome to attend.

IN MEMORIAM

HARRISON: Bernice, May 10, 1992 and John August 10, 1992.

They left us quietly
Their thoughts unknown,
But left us memories
We are proud to own,
So treasure them Lord
In your garden of rest,
For when on earth,
They were two of the best.
Jim and Jean Fairfield,
Gravenhurst, Ontario.

BRYANT: In loving memory of a dear mother and grandmother Luella, who passed away May 7, 1991.

Sweet memories will linger forever,
Time cannot change them, it's true,
Years that may come cannot sever,
My loving remembrance of you.
Sadly missed by Shirley, Dave and Andrea.

SHAW: In loving memory of a dear father and grandfather, Jim, who passed away April 30, 1992.

Though his smile is gone forever,
And his hand we cannot touch,
Still we have so many memories
Of the one we loved so much.
His memory is a keepsake
With which we'll never part,
God has him in His keeping,
We have him in our heart.
Sadly missed and always remembered by Barry, Rhonda, Josh and Megan.
